Mapped, edited, and published by the Geological Survey

Control by USGS and NOS/NOAA

Topography by photogrammetric methods from aerial photographs taken 1949 and 1957, field annotated 1950
Edition of 1952 incomplete due to insufficient photo coverage
Unmapped areas completed 1958. Map not field checked

Projection and 1000-meter grid ticks shown in blue:
Universal Transverse Mercator, zone 6
10,000-foot grid ticks based on Alaska coordinate system, zone 4. 1927 North American Datum
To place on the predicted North American Datum 1983 move the projection lines 60 meters north and 117 meters east

Land lines represent unsurveyed and unmarked locations predetermined by the Bureau of Land Management
Folio S-1, Seward Meridian

Swamps, as portrayed, indicate only the wetter areas, usually of low relief, as interpreted from aerial photographs

27° TRUE NORTH MAGNETIC NORTH

APPROXIMATE MEAN DECLINATION, 1950
