

Produced by the United States Geological Survey 1987  
Revision by USDA Forest Service 2000

Topography compiled 1950. Planimetry derived from imagery taken 1996 and other sources. Public Land Survey System and survey control current as of 2001.

North American Datum of 1927 (NAD 27). Projection and 20 000-foot ticks: Alaska coordinate system, zone 3 (transverse Mercator). Blue 5000-meter Universal Transverse Mercator ticks, zone 6.

North American Datum of 1983 (NAD 83) is shown by dashed corner ticks. The values of the shift between NAD 27 and NAD 83 are obtainable from National Geodetic Survey NADCON software.

Non-National Forest System lands within the National Forest. Inholdings may exist in other National or State reservations.

This map is not a legal land line or ownership document. Public lands are subject to change and leasing, and may have access restrictions; check with local offices. Obtain permission before entering private lands.

Protracted land lines are predetermined by the Bureau of Land Management, Folio CR-5, Copper River Meridian.
