

Mapped, edited, and published by the Geological Survey
Control by USGS and NOS/NOAA
Topography by photogrammetric methods from aerial photographs taken 1966 and 1967. Field checked 1969.
Polyconic projection. 10,000-foot grid ticks based on Alabama coordinate system, west zone. 1000-meter Universal Transverse Mercator grid ticks, zone 16, shown in blue. 1927 North American Datum. To place on the predicted North American Datum 1983 move the projection lines 9 meters south as shown by dashed corner ticks.
Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked.
There may be private inholdings within the boundaries of the National or State reservations shown on this map.
Revisions shown in purple and woodland compiled from aerial photographs taken 1981 and other sources.
This information not field checked. Map edited 1983.
