Map published by the Defense Mapping Agency
Published for civil use by the Geological Survey
Control by NOS/NOAA and USCE
Topography by photogrammetric methods from aerial photographs taken 1946. Field checked 1948. Revised from aerial photographs taken 1959. Field checked 1960
Polyconic projection. 10,000-foot grid based on Alabama coordinate system, east zone. 1000-meter Universal Transverse Mercator grid ticks, zone 16, shown in blue. 1927 North American Datum. To place on the predicted North American Datum 1983 move the projection lines 15 meters south and 6 meters west as shown by dashed corner ticks
There may be private inholdings within the boundaries of the National or State reservations shown on this map
Revisions shown in purple and woodland compiled by the Geological Survey from aerial photographs taken 1979 and other source data
This information not field checked. Map edited 1980
