

Produced by the United States Geological Survey

Control by USGS and NOS/NOAA

Topography by photogrammetric methods from aerial photographs taken 1969. Field checked 1970

Projection: Arkansas coordinate system (Lambert conformal conic)

10,000-foot grid ticks: based on Arkansas coordinate system, north zone and Tennessee coordinate system

1000-meter Universal Transverse Mercator grid ticks, zone 15, shown in blue. 1927 North American datum

North American Datum of 1983 (NAD 83) is shown by dashed corner ticks

The values of the shift between NAD 27 and NAD 83 for 7.5-minute intersections are given in USGS Bulletin 1875

Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked

Photinspected from 1990 source; no major culture or drainage changes observed. Boundaries and names verified 1993

ROAD CLASSIFICATION

Primary highway, hard surface	Light-duty road, hard or improved surface
Secondary highway, hard surface	Unimproved road
Interstate Route	U. S. Route
	State Route
