

Mapped, edited, and published by the Geological Survey  
Control by USGS and NOS/NOAA  
Topography by photogrammetric methods from aerial  
photographs taken 1962-63. Field checked 1965  
Polyconic projection. 1927 North American datum  
10,000-foot grids based on Arizona coordinate system,  
central and west zones  
1000-meter Universal Transverse Mercator grid ticks,  
zone 12, shown in blue  
To place on the predicted North American Datum 1983  
move the projection lines 4 meters south and  
69 meters east as shown by dashed corner ticks  
There may be private inholdings within the boundaries of  
the National or State reservations shown on this map

**ROAD CLASSIFICATION**

- Heavy-duty (thick solid line)
- Light-duty (thin solid line)
- Unimproved dirt (dashed line)
- Interstate Route (red circle)
- U.S. Route (red square)
