Mapped, edited, and published by the Geological Survey

Control by USGS, USC&GS, and Los Angeles Co.

Topography from aerial photographs by multiplex methods
Aerial photographs taken 1947. Field check 1952

Polyconic projection. 1927 North American datum
10,000-foot grid based on California coordinate system, zones 5 and 7

Dashed land lines indicate approximate locations
Dotted land lines were established by private survey

1000-meter Universal Transverse Mercator grid ticks, zone 11, shown in blue

Data shown in purple compiled from aerial photographs taken 1967. This information not field checked

Purple tint indicates extension of urban areas

GN MN 0°57' 17 MILS 15½° 276 MILS
