Mapped, edited, and published by the Geological Survey

Control by USGS and USC&GS

Culture and drainage compiled from aerial photographs taken 1955. Topography by planetable surveys 1956

Polyconic projection. 1927 North American datum
10,000-foot grid based on California coordinate system, zone 4

1,000-meter Universal Transverse Mercator grid ticks, zone 10, shown in blue

This map lies within a subsidence area

To place on the predicted North American Datum 1983, move the projection lines 9 meters north and 89 meters east as shown by dashed corner ticks

Revisions shown in purple compiled from aerial photographs taken 1981 and other sources. This information not field checked. Map edited 1984
