

Mapped by the Defense Mapping Agency  
Edited and published by the Geological Survey  
Control by NOS/NOAA and U.S. Bureau of Reclamation  
Topography from aerial photographs by KEK plotter methods  
Aerial photographs taken 1947. Culture revision by USGS 1952  
Polyconic projection. 1927 North American Datum  
10,000-foot grid based on California coordinate system, zone 5  
1000-meter Universal Transverse Mercator grid ticks,  
zone 11, shown in blue  
Where omitted, land lines have not been established  
There may be private inholdings within the boundaries of the  
National or State reservations shown on this map  
To place on the predicted North American Datum 1983  
move the projection lines 4 meters north and  
87 meters east as shown by dashed corner ticks

Revisions shown in purple and woodland compiled from  
aerial photographs taken 1984 and other source data.  
Partial check by U.S. Forest Service. Map edited 1988  
Purple tint indicates areas of urban extensions
