

Produced by the United States Geological Survey  
Topography compiled 1960. Planimetry derived from imagery taken 1968 and other sources. Photoinspected using imagery taken 1996; no major culture or drainage changes observed. PLSS and survey control current as of 1960. Boundaries, other than corporate, revised 1998.  
Information shown in purple may not meet USGS content standards and may conflict with previously mapped contours.  
North American Datum of 1927 (NAD 27). Projection and 1000-meter grid: Universal Transverse Mercator, zone 10 10 000-foot ticks: California Coordinate System of 1927 (zone 3)  
North American Datum of 1983 (NAD 83) is shown by dashed corner ticks. The values of the shift between NAD 27 and NAD 83 for 7.5-minute intersections are obtainable from National Geodetic Survey NADCON software.  
There may be private inholdings within the boundaries of the National or State reservations shown on this map.
