Control by USCE

Topography from aerial photographs by multiplex methods
Aerial photographs taken 1951. Field checked 1956

Polyconic projection. 1927 North American Datum
10,000-foot grid based on California coordinate system, zone 6
1000-meter Universal Transverse Mercator grid ticks,
zone 11, shown in blue

To place on the predicted North American Datum 1983
move the projection lines 81 meters east
as shown by dashed corner ticks

Areas covered by dashed light-blue pattern
are subject to controlled inundation

There may be private inholdings within the boundaries of
the National or State reservations shown on this map
