

Produced by the United States Geological Survey  
Topography compiled 1954. Planimetry derived from imagery taken 1975 and other sources. Photosinspected using imagery taken 1997; no major culture or drainage changes observed. Public Land Survey System and survey control current as of 1959. Boundaries verified 2002  
Information shown in purple may not meet USGS content standards and may conflict with previously mapped contours  
North American Datum of 1927 (NAD 27). Projection and 1000-meter grid: Universal Transverse Mercator, zone 11 10 000-foot ticks: California Coordinate System of 1927 (zone 6)  
North American Datum of 1983 (NAD 83) is shown by dashed corner ticks. The values of the shift between NAD 27 and NAD 83 for 7.5-minute intersections are obtainable from National Geodetic Survey NADCON software  
There may be private inholdings within the boundaries of the National or State reservations shown on this map
