

Mapped, edited, and published by the Geological Survey

Control by USGS and USC&GS

Topography by planetable surveys 1927  
Culture and drainage revised from aerial photographs taken 1950  
Field check and partial contour revision 1954

Polyconic projection. 1927 North American datum  
10,000-foot grid based on California coordinate system, zone 5

Dashed land lines indicate approximate locations  
Dotted land lines were established by private survey

The east half of this map lies within a subsidence area  
Contouring not corrected to later vertical control adjustment  
All vertical control readjusted 1954 unless otherwise noted

1000-meter Universal Transverse Mercator grid ticks,  
zone 11, shown in blue

Revisions shown in purple compiled from aerial photographs  
taken 1973. This information not field checked

CONTOUR INTERVAL 5 FEET  
NATIONAL GEODETIC VERTICAL DATUM OF 1929
