Mapped, edited, and published by the Geological Survey

Control by USGS, NOS/NOAA, and Los Angeles County

Topography by photogrammetric methods from aerial photographs taken 1964. Field checked 1966
Supersedes map dated 1954

Polyconic projection. 10,000-foot grid ticks based on California coordinate system, zones 7 and 5. 1000-meter Universal Transverse Mercator grid ticks, zone 11, shown in blue. 1927 North American Datum. To place on the predicted North American Datum 1983 move the projection lines 2 meters north and 84 meters east as shown by dashed corner ticks

Red tint indicates areas in which only landmark buildings are shown

Fine red dashed lines indicate selected fence lines

Areas covered by dashed light-blue pattern are subject to controlled inundation

There may be private inholdings within the boundaries of the National or State reservations shown on this map

Revisions shown in purple and woodland compiled from aerial photographs taken 1978 and other sources. This information not field checked. Map edited 1981

Purple tint indicates extension of urban areas
