

Mapped, edited, and published by the Geological Survey
Control by USGS and USC&GS
Topography by planetable surveys 1927
Culture and drainage revised from aerial photographs taken 1950
Field check and partial contour revision 1954
Polyconic projection. 1927 North American datum
10,000-foot grid based on California coordinate system, zone 5
Dashed land lines indicate approximate locations
The northeast portion of this map lies within a subsidence area
Contouring not corrected to later vertical control adjustments
All vertical control established 1954 unless otherwise noted
1000-meter Universal Transverse Mercator grid ticks,
zone 11, shown in blue
Revisions shown in purple compiled from aerial photographs
taken 1973. This information not field checked
