

Mapped, edited, and published by the Geological Survey
Control by USGS and NOS/NOAA
Planimetry by photogrammetric methods from aerial photographs
taken 1949. Topography by planetable surveys 1952. Revised from
aerial photographs taken 1967. Field checked 1968
Polyconic projection. 1927 North American datum
10,000-foot grid based on California coordinate system, zone 3
1000-meter Universal Transverse Mercator grid ticks,
zone 10, shown in blue
To place on the predicted North American Datum 1983,
move the projection lines 13 meters north and
92 meters east as shown by dashed corner ticks
There may be private inholdings within the boundaries of
the National or State reservations shown on this map
Dotted land lines established by private survey
Red tint indicates areas in which only landmark buildings are shown
This map lies within a subsidence area
Vertical control based on latest available adjustment
