

Mapped, edited, and published by the Geological Survey
Control by USGS and USC&GS
Topography by plane-table surveys 1953 and by Kelsch plotter
Culture and drainage by photogrammetric methods from
aerial photographs taken 1949. Field check 1953
Polyconic projection
10,000-foot grid based on California coordinate system, zone 2
1000-meter Universal Transverse Mercator grid ticks,
zone 10, shown in blue 1927 North American Datum
To place on the predicted North American Datum 1983
move the projection lines 15 meters north and
93 meters east as shown by dashed corner ticks
Revisions shown in purple and woodland compiled from
aerial photographs taken 1978 and other source data
This information not field checked. Map edited 1980

SCALE 1:24,000
CONTOUR INTERVAL 10 FEET
DOTTED LINES REPRESENT HALF-INTERVAL CONTOURS
NATIONAL GEODETIC VERTICAL DATUM OF 1929

THIS MAP COMPLIES WITH NATIONAL MAP ACCURACY STANDARDS
FOR SALE BY U.S. GEOLOGICAL SURVEY, DENVER, COLORADO 80225, OR RESTON, VIRGINIA 22092
