Mapped by the U. S. Forest Service
Edited and published by the Geological Survey

Control by USGS and USC&GS

Topography from aerial photographs by KEK plotter
Aerial photographs taken 1951. Field check 1955

Polyconic projection. 1927 North American datum
10,000-foot grid based on California coordinate system, zone 1

Blue hatching bordering Lake Almanor indicates area subject to controlled inundation. Maximum elevation 4510

Dashed land lines indicate approximate locations

Unchecked elevations are shown in brown

1000-meter Universal Transverse Mercator grid ticks, zone 10, shown in blue

SCALE 1:62500
