Topography from aerial photographs by KEK plotter methods 1943
 Aerial photographs taken 1942. Culture revision by USGS 1952

Polyconic projection. 1927 North American datum
 10,000-foot grid based on California coordinate system, zone 1

Dashed land lines indicate approximate locations
 Certain land lines are omitted because of insufficient data
 All recovered corners are shown

1000-meter Universal Transverse Mercator grid ticks,
 zone 10, shown in blue
 To place on the predicted North American Datum 1983
 move the projection lines 20 meters north and 96 meters east
 There may be private inholdings within the boundaries of
 the National or State reservations shown on this map
