

Mapped, edited, and published by the Geological Survey
 Control by USGS, USC&GS, and USBR
 Topography from aerial photographs by multiplex methods and planetable surveys 1956. Aerial photographs taken 1954
 Hydrography compiled from USC&GS chart 5001 (1953)
 Polyconic projection. 1927 North American datum
 10,000-foot grids based on California coordinate system, zone 2, and Nevada coordinate system, west zone
 1000-meter Universal Transverse Mercator grid ticks, zone 11, shown in blue
 Dashed land lines indicate approximate locations
 Unchecked elevations are shown in brown
