

This is a detailed topographic map of a section of the Arapaho National Forest in Colorado. The map features a grid system with coordinates along the top and right edges. Key geographical features include the White River flowing through the center, the Gore Range and Williams Fork Mountains to the east, and the Battle Mountain and Battle Mountain Range to the south. The map shows numerous contour lines indicating elevation, as well as various roads, trails, and smaller geographical features like lakes and creeks. The Arapaho National Forest is labeled in several places, including the central and southern portions of the map. The map is oriented with North at the top.
