B. Marshall, Chief Geographer.
Sledge Tatum, Geographer in charge.
Topography B.A. Jenkins, C.A. Ecklund
and Cornelius Schurr.
Surveyed in 1912-1915

Due to the small percentage of corners recovered,
land lines are not reconciled to the topography
except in certain areas. In the vicinity of T. 5 N.,
R. 75 and 76 W., lines are known to be erroneously
placed.

Roads and trails added 1940
by National Park Service

APPROXIMATE MEAN
DECLINATION 1915.
