JEEP TRAIL

Mapped, edited, and published by the Geological Survey

Control by USGS and USC&GS

Topography by photogrammetric methods from aerial photographs taken 1970. Field checked 1971

Projection: Colorado coordinate system, central zone (Lambert conformal conic)
10,000-foot grid ticks based on Colorado coordinate system, central and north zones
1000-meter Universal Transverse Mercator grid ticks, zone 12, shown in blue. 1927 North American datum

Fine red dashed lines indicate selected fence lines

Certain land lines are omitted because of insufficient datza

To place on the predicted North American Datum 1983 move the projection lines 6 meters north and 56 meters east as shown by dashed corner ticks
