

Mapped, edited, and published by the Geological Survey as part of the Department of the Interior program for the development of the Missouri River Basin. Control by USGS and NOS/NOAA. Culture and drainage in part compiled from aerial photographs taken 1950. Topography by planetarium surveys 1956. Polyconic projection. 1927 North American Datum 10,000-foot grid based on Colorado coordinate system, central and north zones. 1000-meter Universal Transverse Mercator grid ticks, zone 13, shown in blue.

Revisions shown in purple compiled from aerial photographs taken 1975 and other source data. This information not field checked. Map edited 1978.

To place on the predicted North American Datum 1983 move the projection lines 5 meters north and 45 meters east as shown by dashed corner ticks.
