Topography by photogrammetric methods from aerial photographs taken 1960. Field checked 1961

Polyconic projection, 1927 North American Datum, 10,000-foot grid based on Colorado coordinate system, central zone 1000-meter Universal Transverse Mercator grid ticks, zone 13, shown in blue

Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked. Where omitted, land lines have not been established

To place on the predicted North American Datum 1983 move the projection lines 6 meters north and 54 meters east as shown by dashed corner ticks

There may be private inholdings within the boundaries of the National or State reservations shown on this map

UTM GRID AND 1982 MAGNETIC NORTH DECLINATION AT CENTER OF SHEET

Revisions shown in purple and woodland compiled from aerial photographs taken 1979 and other source data. This information not field checked. Map edited 1982
