

Mapped, edited, and published by the Geological Survey  
Control by USGS and NOS/NOAA

Topography by photogrammetric methods from aerial  
photographs taken 1968. Field checked 1970  
Polyconic projection. 1927 North American Datum  
10,000-foot grid based on Colorado coordinate system,  
central zone  
1000-meter Universal Transverse Mercator grid ticks,  
zone 13, shown in blue  
Certain land lines are omitted because of insufficient data

To place on the predicted North American Datum 1983  
move the projection lines 5 meters north and  
51 meters east as shown by dashed corner ticks  
There may be private inholdings within the boundaries  
of the National or State reservations shown on this map

Revisions shown in purple and woodland compiled from  
aerial photographs taken 1983 and other source data  
Partial check by U. S. Forest Service. Map edited 1987

UTM GRID AND 1987 MAGNETIC NORTH  
DECLINATION AT CENTER OF SHEET

ROAD CLASSIFICATION

|                                    |  |
|------------------------------------|--|
| Primary highway,<br>hard surface   | Light-duty road, hard or<br>improved surface |
| Secondary highway,<br>hard surface | Unimproved road                              |
| Interstate Route                   | U. S. Route                                  |
|                                    | State Route                                  |
