

Mapped, edited, and published by the Geological Survey
Control by USGS and NOS/NOAA
Topography by photogrammetric methods from aerial photographs taken 1964. Field checked 1966
Polyconic projection. 1927 North American Datum
10,000-foot grid based on Colorado coordinate system, central zone
1000-meter Universal Transverse Mercator grid ticks, zone 13, shown in blue
Fine red dashed lines indicate selected fence lines
Where omitted, land lines have not been established or are not shown because of insufficient data
To place on the predicted North American Datum 1983 move the projection lines 6 meters north and 54 meters east as shown by dashed corner ticks
