

Mapped, edited, and published by the Geological Survey as part of the Department of the Interior program for the development of the Missouri River Basin. Control by USGS and USC&GS.

Topography from aerial photographs by multiplex methods. Aerial photographs taken 1952. Field check 1956.

Polyconic projection. 1927 North American datum. 10,000-foot grid based on Colorado coordinate system, north zone.

1000-meter Universal Transverse Mercator grid ticks, zone 13, shown in blue.

Dashed land lines indicate approximate locations. Land lines are omitted in part of T. 5 and 6 N., R. 77 W. and T. 5 N., R. 78 W. because of insufficient data.

Unchecked elevations are shown in brown.
