

Mapped, edited, and published by the Geological Survey

Control by USGS and NOS/NOAA

Topography by photogrammetric methods from aerial photographs taken 1964. Field checked 1965. Supersedes map dated 1945.

Polyconic projection. 1927 North American Datum. 10,000-foot grid based on Colorado coordinate system, central zone. 1000-meter Universal Transverse Mercator grid ticks, zone 13, shown in blue.

There may be private inholdings within the boundaries of the National or State reservations shown on this map.

To place on the predicted North American Datum 1983 move the projection lines 5 meters north and 48 meters east as shown by dashed corner ticks.

Revisions shown in purple compiled from aerial photographs taken 1983 and other source data. Partial field check by U. S. Forest Service. Map edited 1985.
