

Mapped, edited, and published by the Geological Survey Control by USGS and NOS/NOAA Topography by photogrammetric methods from aerial photographs taken 1960. Field checked 1961. Polyconic projection 1927 North American Datum 10,000-foot grid based on Colorado coordinate system, central zone 1000-meter Universal Transverse Mercator grid ticks, zone 13, shown in blue. Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked. Where omitted, land lines have not been established. To place on the predicted North American Datum 1983 move the projection lines 5 meters north and 52 meters east as shown by dashed corner ticks.

ROAD CLASSIFICATION Light-duty Unimproved dirt Secondary highway, hard surface
