

Mapped, edited, and published by the Geological Survey

Control by USGS and NOS/NOAA

Topography by photogrammetric methods from aerial photographs taken 1962. Field checked 1963

Polycyclic projection. 1927 North American Datum

10,000-foot grids based on Colorado coordinate system, central and south zones

1000-meter Universal Transverse Mercator grid ticks, zone 13, shown in blue

Where omitted, land lines have not been established or are not shown because of insufficient data

To place on the predicted North American Datum 1983 move the projection lines 4 meters north and 54 meters east as shown by dashed corner ticks

There may be private inholdings within the boundaries of the National or State reservations shown on this map
