Topography by photogrammetric methods from aerial photographs taken 1962. Field checked 1963

Polyconic projection. 1927 North American Datum
10,000-foot grid based on Colorado coordinate system, central zone
1000-meter Universal Transverse Mercator grid ticks, zone 13, shown in blue

Fine red dashed lines indicate selected fence lines
Where omitted, land lines have not been established

There may be private inholdings within the boundaries of the National or State reservations shown on this map

To place on the predicted North American Datum 1983
move the projection lines 5 meters north and
54 meters east as shown by dashed corner ticks
