

Mapped, edited, and published by the Geological Survey as part of the Department of the Interior program for the development of the Missouri River Basin Control by USGS and USC&GS

Topography from aerial photographs by multiplex methods. Aerial photographs taken 1952 and 1953. Field check 1956

Polyconic projection. 1927 North American Datum

10,000-foot grid based on Colorado coordinate system, central zone

1000-meter Universal Transverse Mercator grid ticks, zone 13, shown in blue

Dashed land lines indicate approximate locations

To place on the predicted North American Datum 1983 move the projection lines 4 meters north and 49 meters east as shown by dashed corner ticks

Map photoinspected 1979
No major culture or drainage changes observed

SCALE 1:24000
