

Mapped, edited, and published by the Geological Survey  
Control by USGS and NOS/NOAA

Topography by photogrammetric methods from aerial photographs taken 1962. Field checked 1963.  
Polyconic projection: 1927 North American Datum  
10,000-foot grid based on Colorado coordinate system, south zone  
1000-meter Universal Transverse Mercator grid ticks, zone 13, shown in blue

Land lines have not been established or are not shown because of insufficient data  
To place on the predicted North American Datum 1983 move the projection lines 4 meters north and 55 meters east as shown by dashed corner ticks

There may be private inholdings within the boundaries of the National or State reservations shown on this map
