

This is a detailed topographic map of Cross City, Florida, and its surrounding regions. The map features a grid system with coordinates along the edges. Key geographical features include the Gulf of Mexico to the west, the Apalachicola River flowing through the center, and various islands and points such as Rock Island, Egmont Point, and Cross City Island. Major roads are depicted with red lines, and smaller roads are shown in black. The terrain is color-coded to represent elevation, with green for lower elevations and yellow/brown for higher elevations. The map also shows numerous small settlements, swamps, and other local landmarks. The title "CROSS CITY, FLORIDA" is prominently displayed at the top left, and the scale "30 X 60 MINUTE SERIES (TOPOGRAPHIC)" is noted at the top right.

[illegible]

This is a detailed topographic map of Cross City, Florida, and its surrounding areas. The map features a grid system with coordinates along the edges. Key geographical features include the Gulf of Mexico to the west, several islands such as Rock Island and Pine Log Island, and numerous smaller points and beaches like Anthon Beach and Dade Beach. Major roads are depicted with red lines, and the town of Cross City is clearly marked with its airport. The map also shows various swamps, marshes, and other land cover types indicated by different colors and patterns. The title "CROSS CITY, FLORIDA" is at the top left, and "30 X 60 MINUTE SERIES (TOPOGRAPHIC)" is at the top right.
