

Mapped, edited, and published by the Geological Survey
Control by USGS and USC&GS
Topography by photogrammetric methods from aerial photographs taken November 1969. Field checked 1970
Polyconic projection
10,000-foot grid based on Florida coordinate system, east zone 1000-meter Universal Transverse Mercator grid ticks, zone 17, shown in blue 1927 North American Datum
To place on the predicted North American Datum 1983 move the projection lines 24 meters south and 18 meters west as shown by dashed corner ticks
Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked
Revisions shown in purple compiled from aerial photographs taken 1977 and other source data. This information not field checked. Map edited 1980

Map photospected 1983
No major culture or drainage changes observed

SCALE 1:24,000
CONTOUR INTERVAL 5 FEET
