

Mapped, edited, and published by the Geological Survey
Control by USGS and USC&GS

Topography by photogrammetric methods from aerial photographs
taken 1956, 1958, and 1963. Field checked 1964

Polyconic projection. 1927 North American datum
10,000-foot grid based on Georgia coordinate system, west zone
1000-meter Universal Transverse Mercator grid ticks,
zone 17, shown in blue

To place on the predicted North American Datum 1983,
move the projection lines 10 meters south and
9 meters west as shown by dashed corner ticks

Fine red dashed lines indicate selected fence and field lines where
generally visible on aerial photographs. This information is unchecked

Revisions shown in purple compiled in cooperation with State of Georgia
agencies from aerial photographs taken 1963 and other sources
This information not field checked. Map edited 1985
