

Prepared by the Army Map Service (HYPO), Corps of Engineers, U. S. Army, Washington, D. C. Compiled in 1957 from: United States Quad-rangles, 1:24,000 and 1:50,000, USGS and CE, 1912-56; JSC&GS Charts, 1:25,000-55. Planimetric detail revised by photogrammetric methods. Horizontal and vertical control by USC&GS, USGS, Georgia Geodetic Survey, and CE. Map field checked, 1957.

100,000-foot grid based on South Carolina coordinate system, south zone and Georgia coordinate system, east zone.

10,000-meter Universal Transverse Mercator grid ticks, zone 17, shown in blue.

**LEGEND**

**ROAD DATA 1957**

Figures in red denote approximate distances in miles between stars
