Mapped by the US Forest Service
Edited and published by the Geological Survey

Control by USGS, USC&GS, and US Forest Service

Topography by photogrammetric methods from aerial photographs taken 1958. Field checked by USGS 1962

Polyconic projection. 1927 North American datum
10,000-foot grid based on Idaho coordinate system, west zone
1000-meter Universal Transverse Mercator grid ticks, zone 11, shown in blue
To place on the predicted North American Datum 1983 move the projection lines 15 meters north and 75 meters east as shown by dashed corner ticks

Where omitted, land lines have not been established

There may be private inholdings within the boundaries of the National or State reservations shown on this map

GN — MN — 0°57′ 17 MILS — 20° 356 MILS
