

Mapped, edited, and published by the Geological Survey as part of the Department of the Interior program for the development of the Missouri River Basin. Control by USGS and USCGS. Topography by photogrammetric methods from aerial photographs taken 1967. Field checked 1969. Polyconic projection. 1927 North American datum. 10,000-foot grid based on Kansas coordinate system, north zone 14, shown in blue. Areas covered by dashed light-blue pattern are subject to controlled inundation. Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked.
