

V502, EDITION 3

Prepared by the Army Topographic Command (BETT) Washington, D. C. Compiled in 1955 by photogrammetric methods and from United States quadrangles 1:62,500 1939–1951. Planimetric detail re-vised by photo-planimetric methods. Photographs field annotated 1955. Revised in 1975 by the U.S. Geological Survey from aerial photographs taken 1974. photographs taken 1974.

100,000-foot grids based on Kansas coordinate system south and north zones.

Location of geodetic control established by government agencies is shown on corresponding 1:250,000-scale Geodetic Control Diagram
