

Mapped, edited, and published by the Geological Survey

Control by USGS, NOS/NOAA, and USCE

Topography from aerial photographs by photogrammetric methods. Aerial photographs taken 1951. Field checked 1953

Polyconic projection. 10,000-foot grid ticks based on Kentucky coordinate system, south zone. 1000-meter Universal Transverse Mercator grid ticks, zone 16, shown in blue 1927 North American Datum. To place on the predicted North American Datum 1983 move the projection lines 5 meters south and 4 meters west as shown by dashed corner ticks

Revisions shown in purple and woodland compiled in cooperation with State of Kentucky agencies from aerial photographs taken 1981 and other sources. Contours adjusted adjacent to certain photorevised hydrographic features. This information not field checked. Map edited 1982
