Control by USGS, USC&GS, and Kentucky Geodetic Survey

Topography by photogrammetric methods from aerial photographs taken 1949. Field checked 1950. Revised 1965

Polyconic projection. 1927 North American datum. 10,000-foot grid based on Kentucky coordinate system, north zone 1000-meter Universal Transverse Mercator grid ticks, zone 16, shown in blue

Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is un-checked

Red tint indicates areas in which only landmark buildings are shown. There may be private inholdings within the boundaries of the National or State reservations shown on this map

Purple tint indicates extension of urban areas

Revisions shown in purple compiled from aerial photographs taken 1976 and other source data. Contours adjusted adjacent to certain photo-revised hydrographic features. This information not field checked. Map edited 1978
