

RECEIVED JUL 31 1999 USGS M/D HISTORICAL MAP ARCHIVES

Produced by the United States Geological Survey Topography compiled 1946. Planimetry derived from imagery taken 1979 and other sources. Photospectred using imagery taken 1998; no major culture or drainage changes observed. Survey control current as of 1949. Boundaries, other than corporate, revised 1999 North American Datum of 1927 (NAD 27) Projection: Maryland coordinate system (Lambert conformal conic) 10 000-foot ticks: Maryland coordinate system and West Virginia coordinate system, north zone 1000-meter Universal Transverse Mercator grid, zone 17 North American Datum of 1983 (NAD 83) is shown by dashed corner ticks. The values of the shift between NAD 27 and NAD 83 for 7.5-minute intersections are obtainable from National Geodetic Survey NADCON software Contours in strip mine areas compiled from 1947 photography Dashed contours indicate strip mining subsequent to photography There may be private inholdings within the boundaries of the National or State reservations shown on this map Information shown in purple may not meet USGS content standards and may conflict with previously mapped contours
