

Mapped, edited, and published by the Geological Survey  
Control by USGS and USC&GS

Topography by photogrammetric methods from aerial  
photographs taken 1961. Field checked 1965

Polyconic projection. 1927 North American datum  
generally visible on aerial photographs

10,000-foot grid based on Michigan coordinate system, central zone  
1000-meter Universal Transverse Mercator grid ticks,  
zone 16, shown in blue

Fine red dashed lines indicate selected fence and field lines where  
generally visible on aerial photographs  
This information is un-checked

To place on the predicted North American Datum 1983  
move the projection lines 2 meters north and  
3 meters west as shown by dashed corner ticks

There may be private inholdings within the boundaries of  
the National or State reservations shown on this map
