

Glenn S. Smith, Division Engineer
Topography by F. L. Whaley and T. A. Magee
Surveyed in 1937

TRUE NORTH
MAGNETIC NORTH
APPROXIMATE MEAN
DECLINATION, 1937

Contour interval 20 feet
10 foot contours added in dashed lines
Datum is mean sea level

ROUTES USUALLY TRAVELED
HARD SURFACES
OTHER SURFACE IMPROVEMENTS
1940
U. S. ROUTE
STATE ROUTE

Polygonic projection, 1927 North American datum
5000 yard grid based on U. S. zone system, C
10000 foot grid based on Missouri (East)
rectangular coordinate system
