

Mapped, edited, and published by the Geological Survey

Control by USGS and NOS/NOAA

Topography by photogrammetric methods from aerial photographs taken 1972. Field checked 1973

Projection and 10,000-foot grid ticks: Missouri coordinate system, east zone (transverse Mercator)
100-meter Universal Transverse Mercator grid ticks, zone 15, shown in blue. 1927 North American datum

To place on the predicted North American Datum 1983, move the projection lines 1 meter south and 12 meters east as shown by dashed corner ticks

There may be private inholdings within the boundaries of the National or State reservations shown on this map

Revisions shown in purple compiled from aerial photographs taken 1982 and other sources. This information not field checked. Map edited 1984
