

Map, edited, and published by the Geological Survey as part of the Department of the Interior program for the development of the Missouri River Basin Control by USGS & USACE.  
Topography by photogrammetric methods from aerial photographs taken 1967. Field checked 1968.  
Polyconic projection. 1927 North American Datum 10,000-foot grids based on Montana coordinate system, north zone, North Dakota coordinate system, north zone, and Montana coordinate system, central zone. 1000-meter Universal Transverse Mercator grid ticks, zone 13, shown in blue.  
Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked.  
To place on the predicted North American Datum 1983 move the projection lines 1 meter north and 36 meters east as shown by dashed corner ticks.  
There may be private inholdings within the boundaries of the National or State reservations shown on this map.

**ROAD CLASSIFICATION**

- Primary highway, hard surface
- Secondary highway, hard surface
- Unimproved road
- Light-duty road, hard or improved surface
- Interstate Route
- U. S. Route
- State Route

BAINVILLE SE, MONT. - N. DAK.
