

Mapped, edited, and published by the Geological Survey

Control by USGS and NOS/NOAA

Topography by photogrammetric methods from aerial photographs taken 1956. Field checked 1962

Polyconic projection. 1927 North American datum

10,000-foot grid based on Montana coordinate system, north zone

1000-meter Universal Transverse Mercator grid ticks, zone 11, shown in blue

Red tint indicates area in which only landmark buildings are shown

Fine red dashed lines indicate selected fence lines

Where omitted, land lines have not been established

To place on the predicted North American Datum 1983

move the projection lines 12 meters north and 71 meters east as shown by dashed corner ticks

Revisions shown in purple and woodland compiled from aerial photographs taken 1978 and other source data. This information not field checked. Map edited 1982
