Topography by photogrammetric methods from aerial photographs taken 1962. Field checked 1963

Polycyclic projection. 1927 North American Datum. 10,000 foot grid based on Montana coordinate system, north zone. 1000 meter Universal Transverse Mercator grid ticks, zone 11, shown in blue.

Fine red dashed lines indicate selected fence lines. Where omitted, land lines have not been established.

There may be private inholdings within the boundaries of the National or State reservations shown on this map.

To place on the predicted North American Datum 1983 move the projection lines 12 meters north and 73 meters east as shown by dashed corner ticks.
